

Out of the Box Thinking

C-FLEX™

Patented design ensures a rugged, lightweight, stronger, flexible, less costly and easier to install counter system than traditional box construction units.

- C-Flex has more value than traditional counters
- C-Flex is stronger and longer lasting than traditional counters
- C-Flex is easy to replace and repair saving time and labor costs
- C-Flex counter tops and surfaces can be remodeled/updated or the whole counter can be re-configured without closing the store
- C-Flex ships flat/unassembled or assembled reducing freight cost

Pan-Oston™
