

# This self-checkout solution changes everything and nothing.

Utopia's new **Auto Attendant™**. The self-checkout solution that uses your existing footprint, your existing lane, all your peripherals and your existing POS. The only thing you lose is your overhead.

This exclusive self-checkout solution is available only to N.G.A member retailers. It was designed by Pan-Oston and the N.G.A. for the independent grocer with 4 to 6 lanes and limited capital to invest in offering their customers self-checkout.
