

Retail Solutions

Pan-Oston[™]
great experience

Creating a Memorable

As your retailing partner for over 40 years, we understand the challenges of creating eye-catching, flexible and functional merchandising displays. Our retail division is dedicated to helping retail brands create memorable shopping experiences that increase the potential for sales and brand loyalty.

Pan-Oston's made-to-order store fixtures, perimeter and free-standing wall systems, showcases, cash wraps, loose fixtures and merchandise displays serve a wide range of retail categories including:

- Department Stores
- Mass Merchants
- Big Box Stores
- Specialty Retail
- Liquor Stores
- Drug Stores
- General Retail
- Entertainment
- Food Service
- Banking Institutions

Pan-Oston has the capability and flexibility to handle everything from large chain rollouts to individual store fixture projects. With Pan-Oston, you get a partner who will provide outstanding service, attention to detail and the most sophisticated manufacturing capabilities to ensure on-time and on-budget project delivery.

Whether it's wood, metal, glass or a combination of materials that you're looking for, Pan-Oston can deliver a superior quality, well-manufactured, affordable and eco-friendly solution that is just right for you.

Shopping Experience

Manufactured To Y

Working with your retail design company or with your own ideas, Pan-Oston can bring to life your brand strategy. Our creative and talented design team will bring your merchandising and store design to life using simple sketches, detailed layout drawings, state of the art computer software, CAD capabilities and 3D renderings.

Pan-Oston provides full-service engineering capabilities. Our very experienced engineering department will ensure you get the best technical, cost and material solutions available in fixtures that will be aesthetically pleasing, durable, robust and long lasting to meet the demands of high-usage environments.

- Feature Units

- Freestanding Walls
- Kiosks

Our Specifications

All merchandising and display fixtures are not created equal and Pan-Oston sets the industry standard.

At the heart of every Pan-Oston wood or metal merchandising and display fixture is industry leading manufacturing technology and time-tested American craftsmanship. Our two modern and efficient manufacturing facilities are designed around state-of-the-art equipment like AutoCAD, CNC routers and molders, metal laser cutting, and robotic welding.

Our eco-friendly manufacturing process ensures that we are reducing energy consumption, minimizing waste and creating a healthier environment. Pan-Oston adheres to LEED guidelines making your project eligible for LEED points. At Pan-Oston we are committed to:

- Formaldehyde free products
- Recycled counter and glass surfaces
- Solvent free paint emissions
- Bumper & trim content made from recycled materials
- Recycling steel to minimize waste and shipping cost
- Water-based adhesives
